

Precipitación semanal (hasta P99)

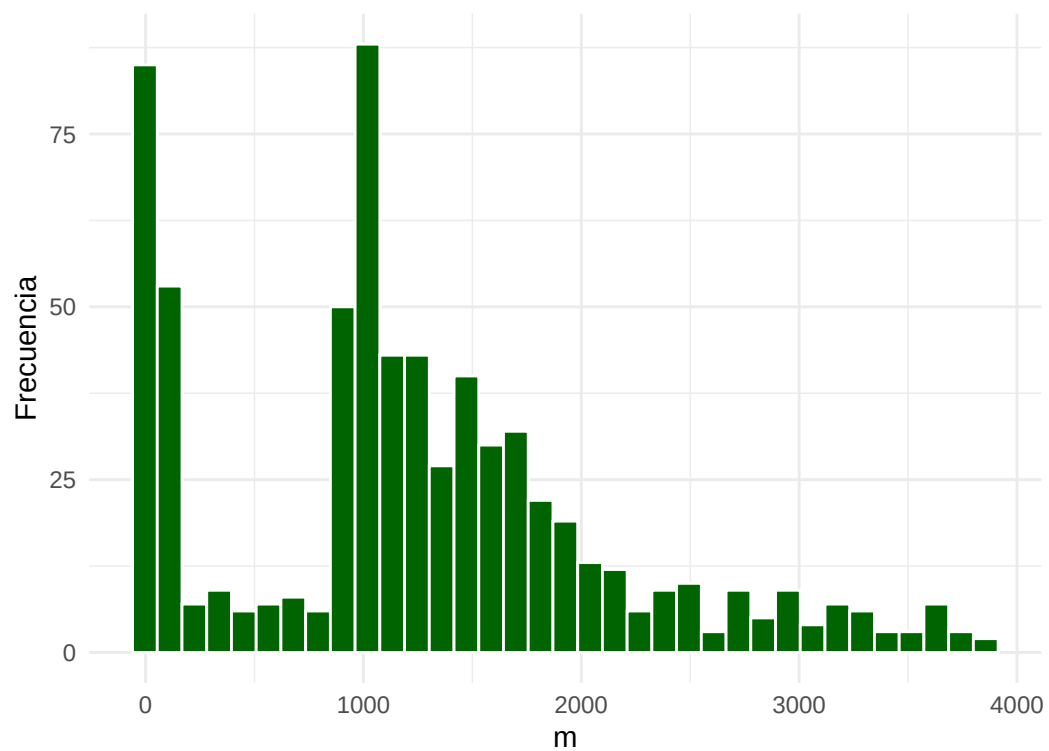

Precipitación: asimetría y extremos

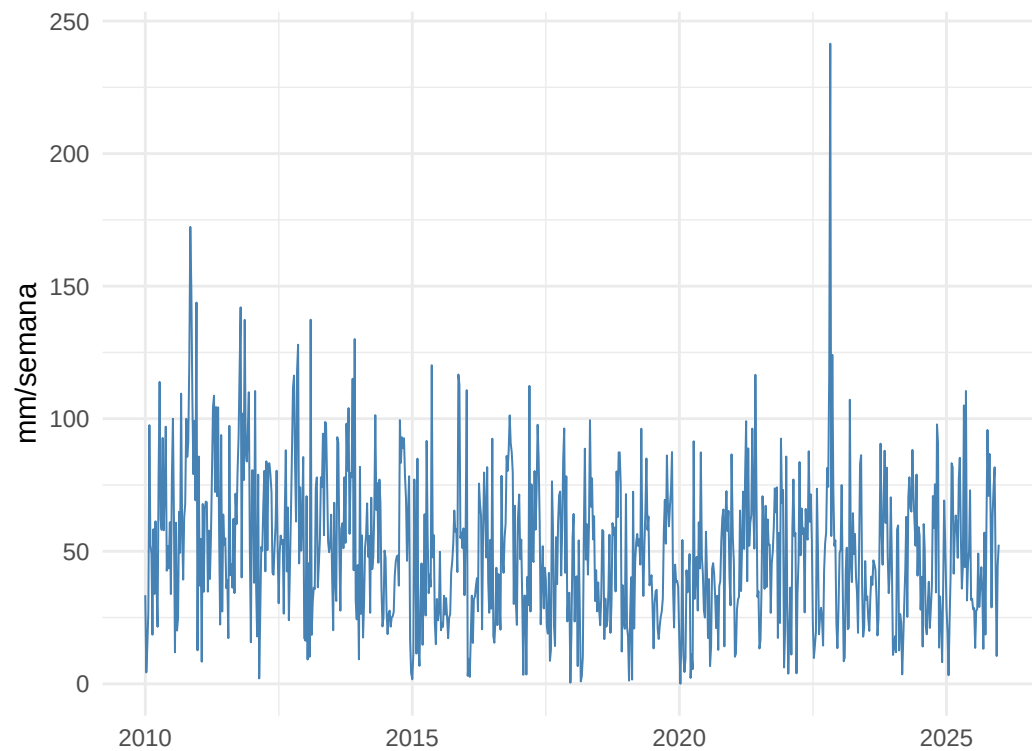

Temperatura bilineal

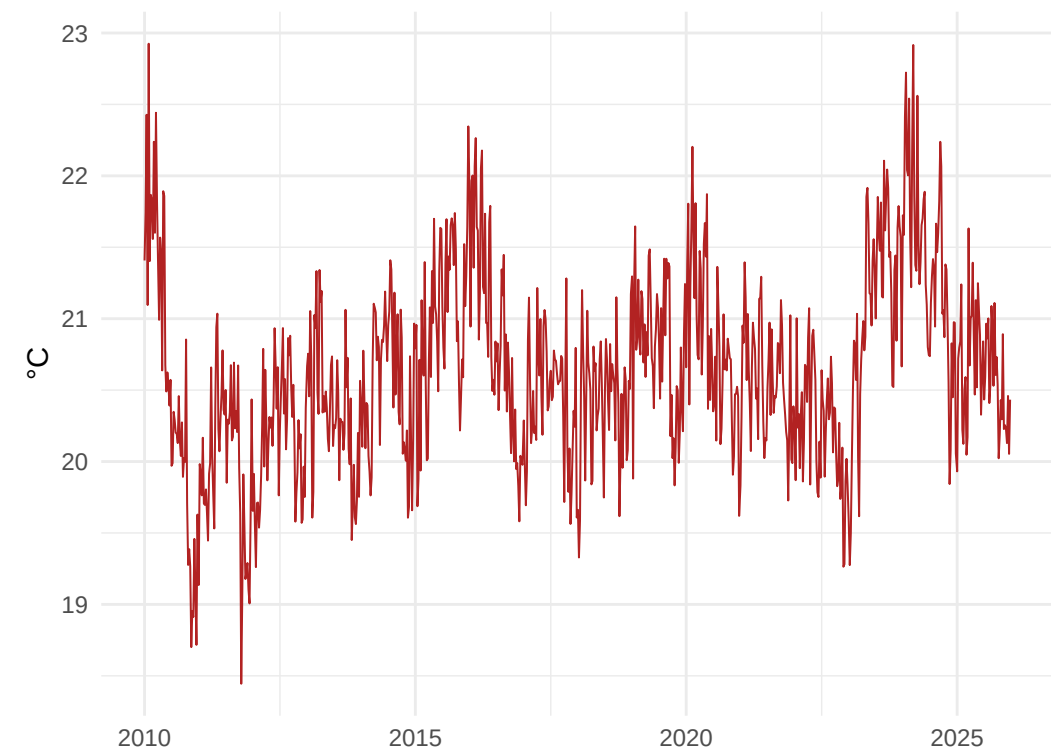

Altitud de las 686 celdas

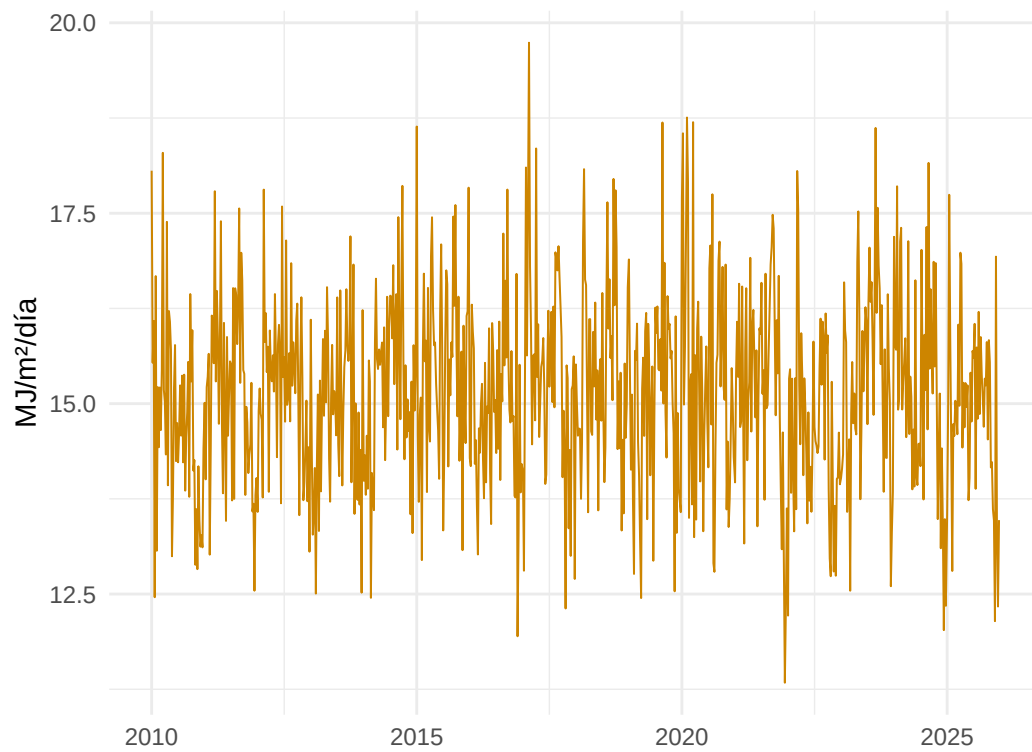

Precipitación media regional 2010–2025

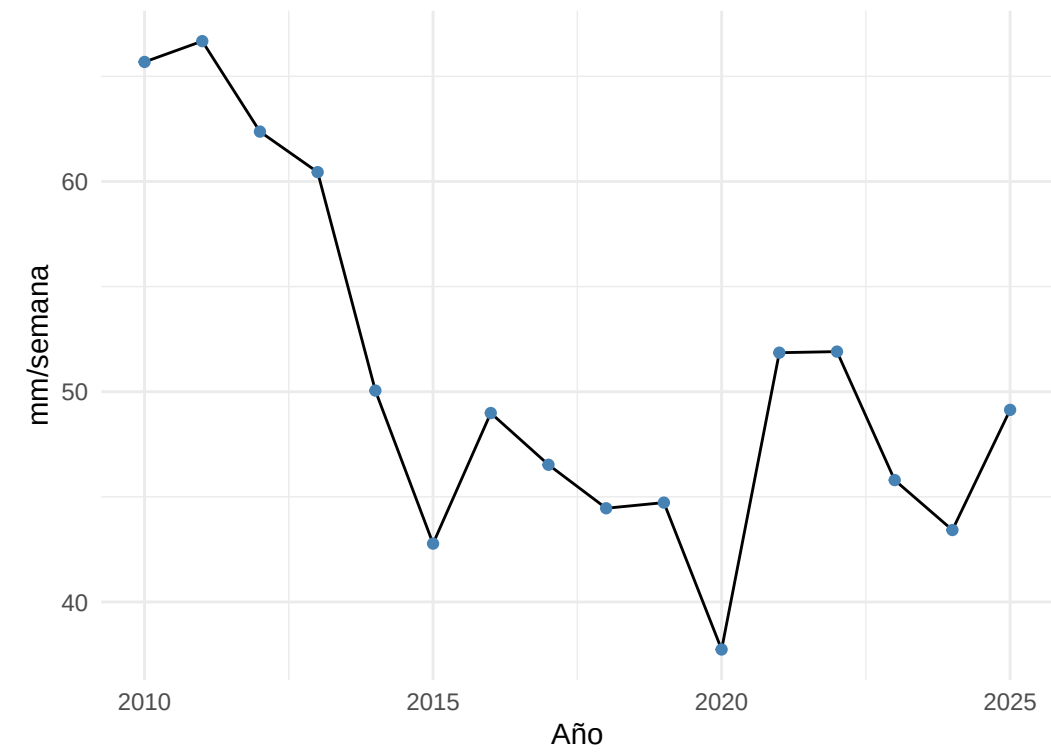

Temperatura media regional

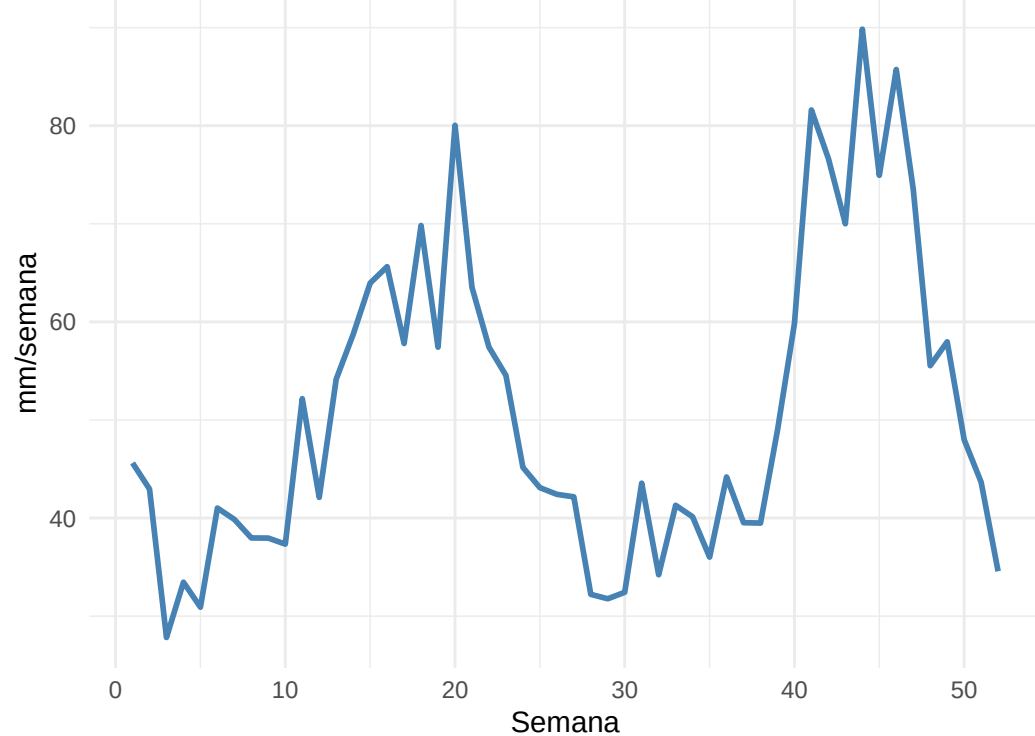

Radiación media regional – vecino

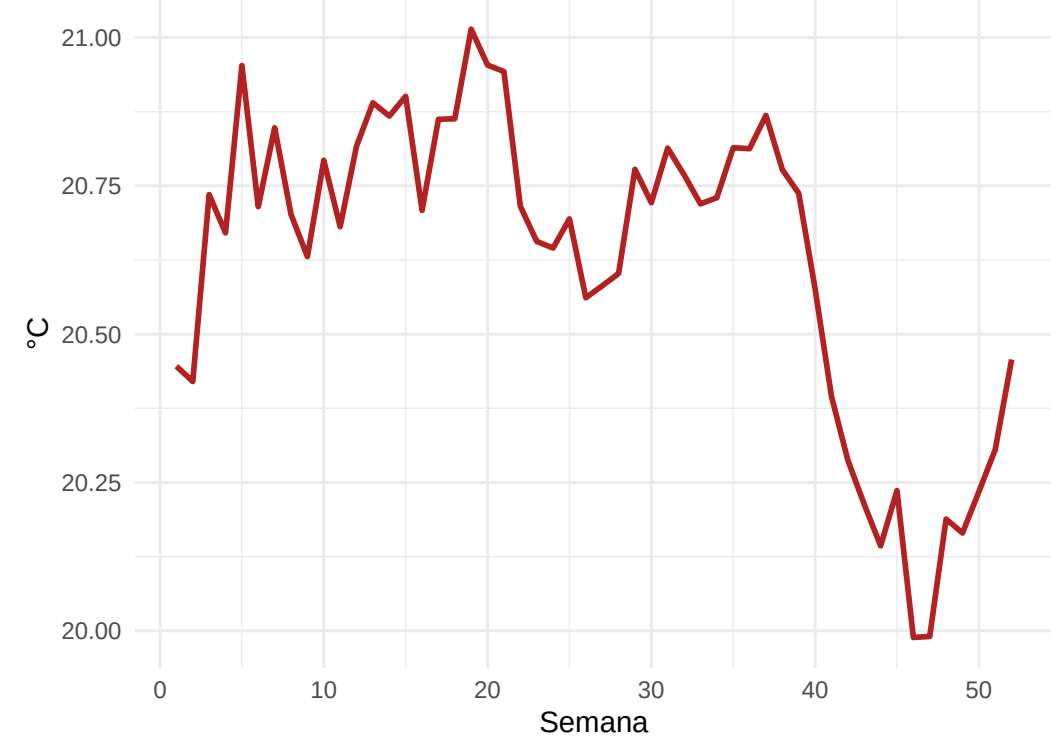

Media anual de precipitación semanal

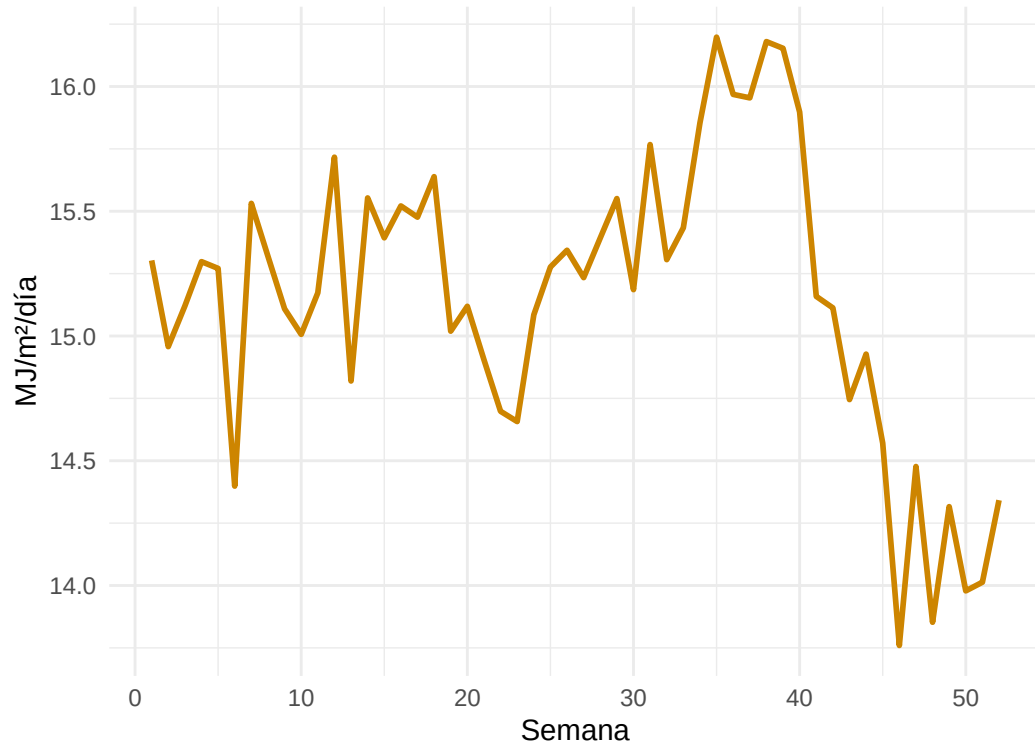

Ciclo climatológico de precipitación

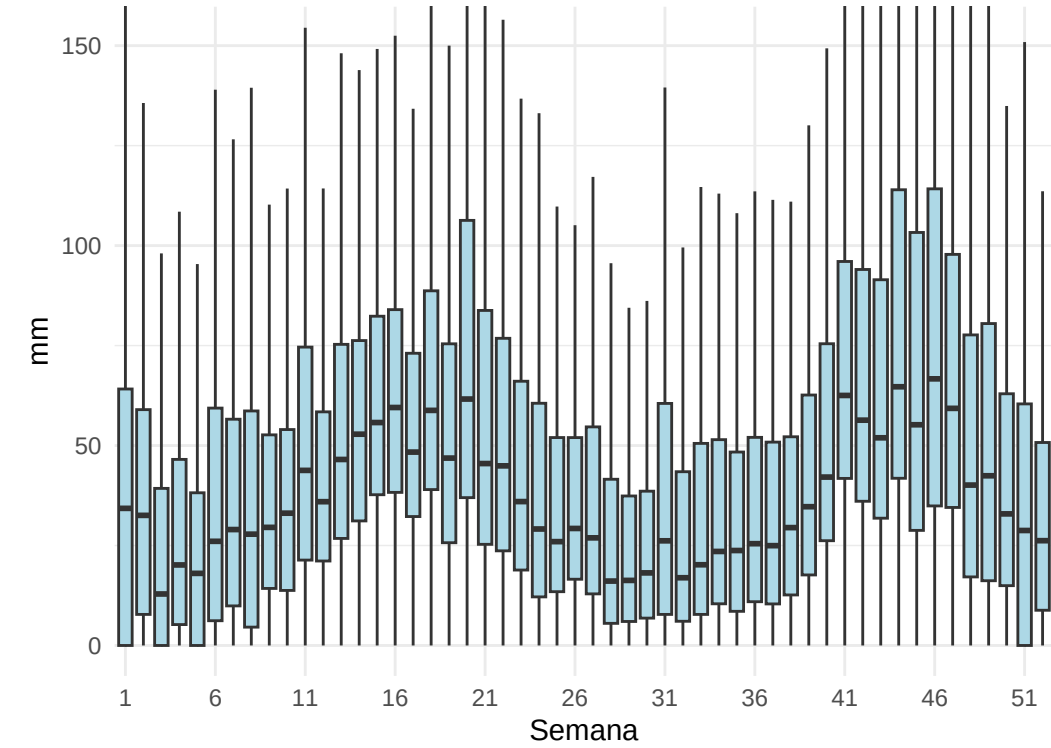

Ciclo climatológico de temperatura

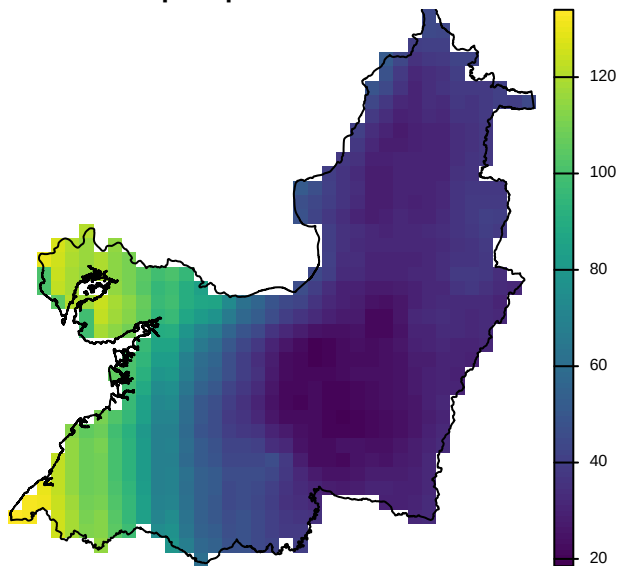

Ciclo climatológico de radiación

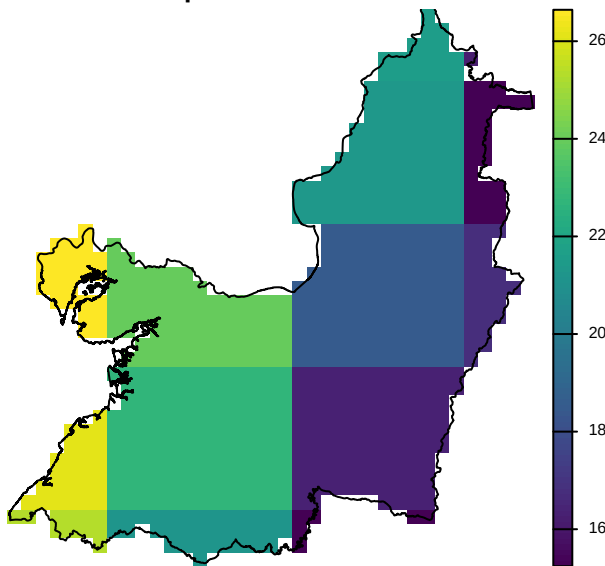

Distribución de precipitación por semana

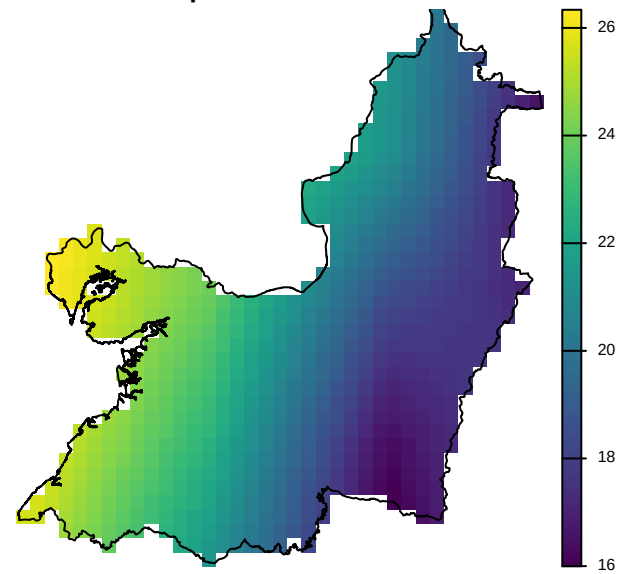

precipitacion mm

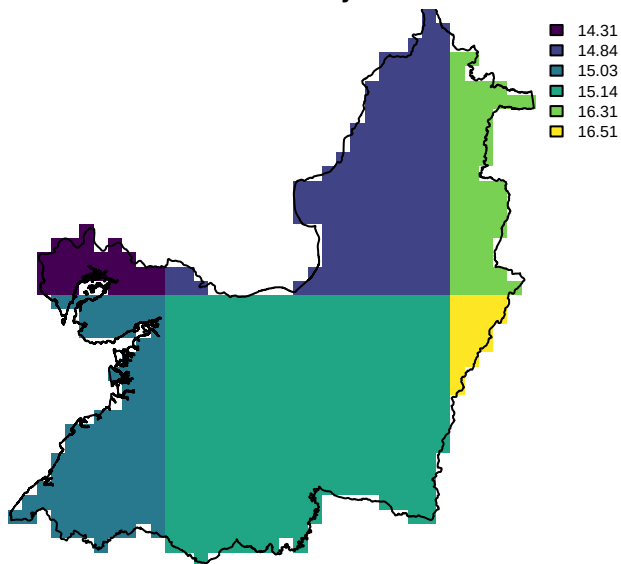

temperatura vecino c

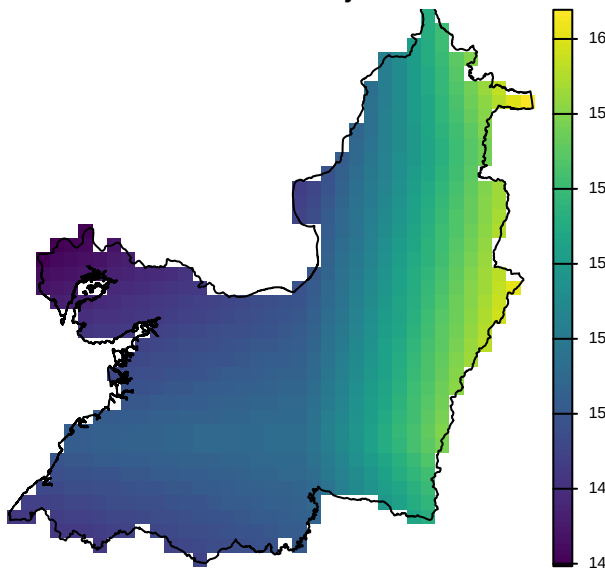

temperatura bilineal c

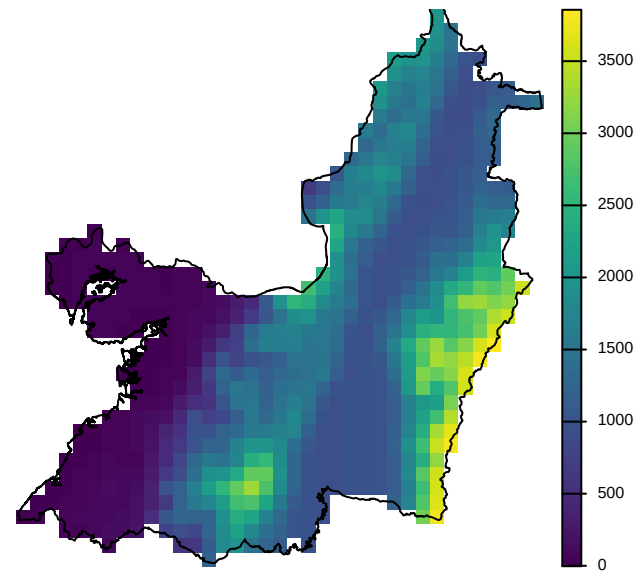

radiacion vecino mj m2 dia

radiacion bilineal mj m2 dia

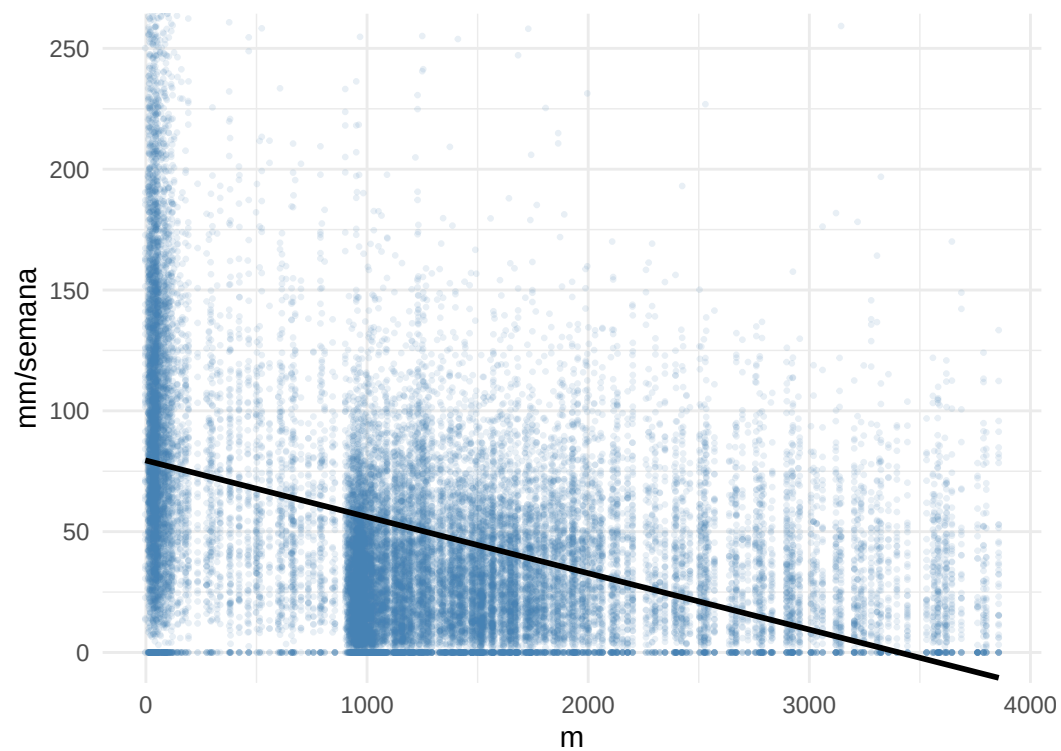

altitud m

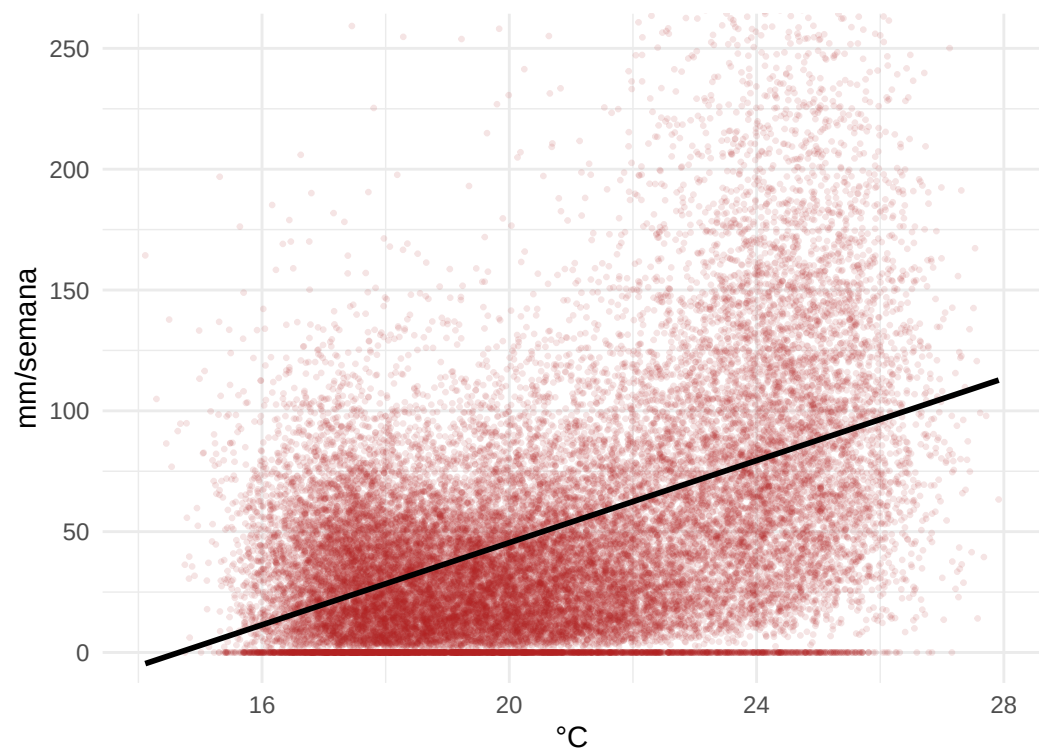

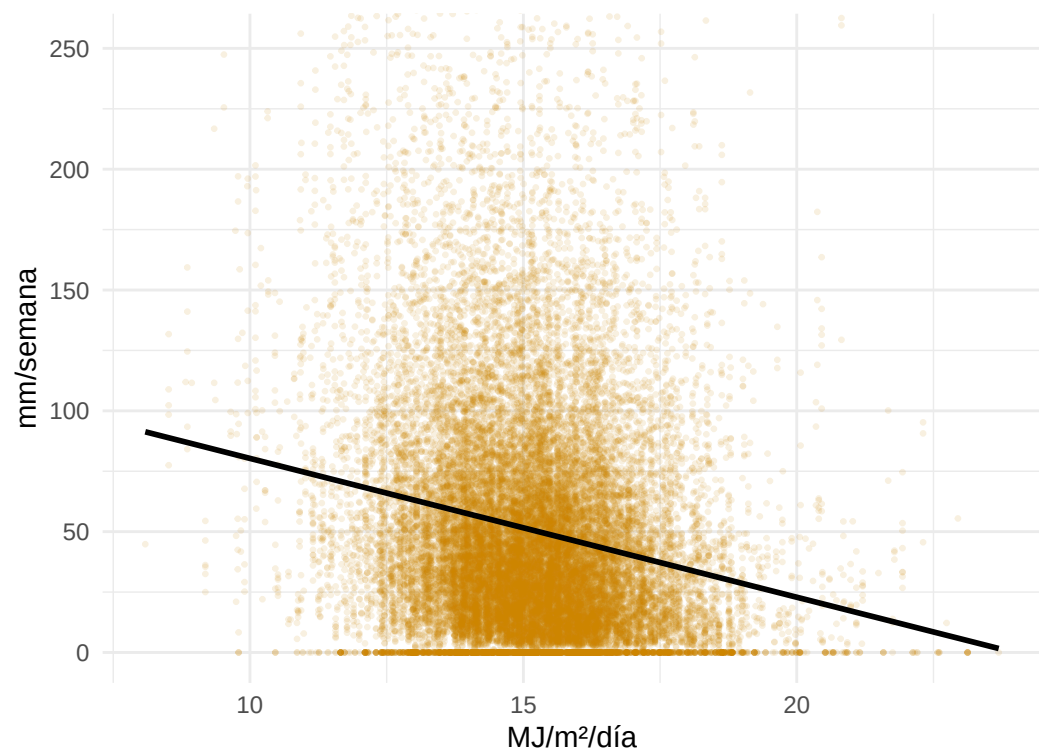

Precipitación vs altitud (muestra)

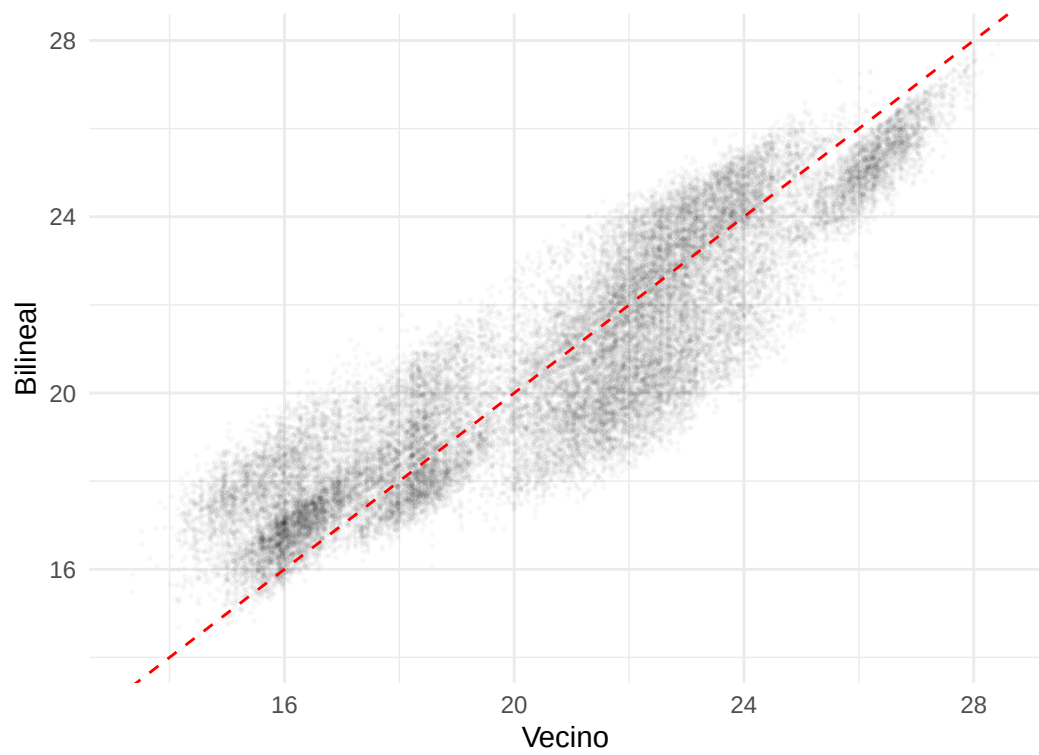

Precipitación vs temperatura

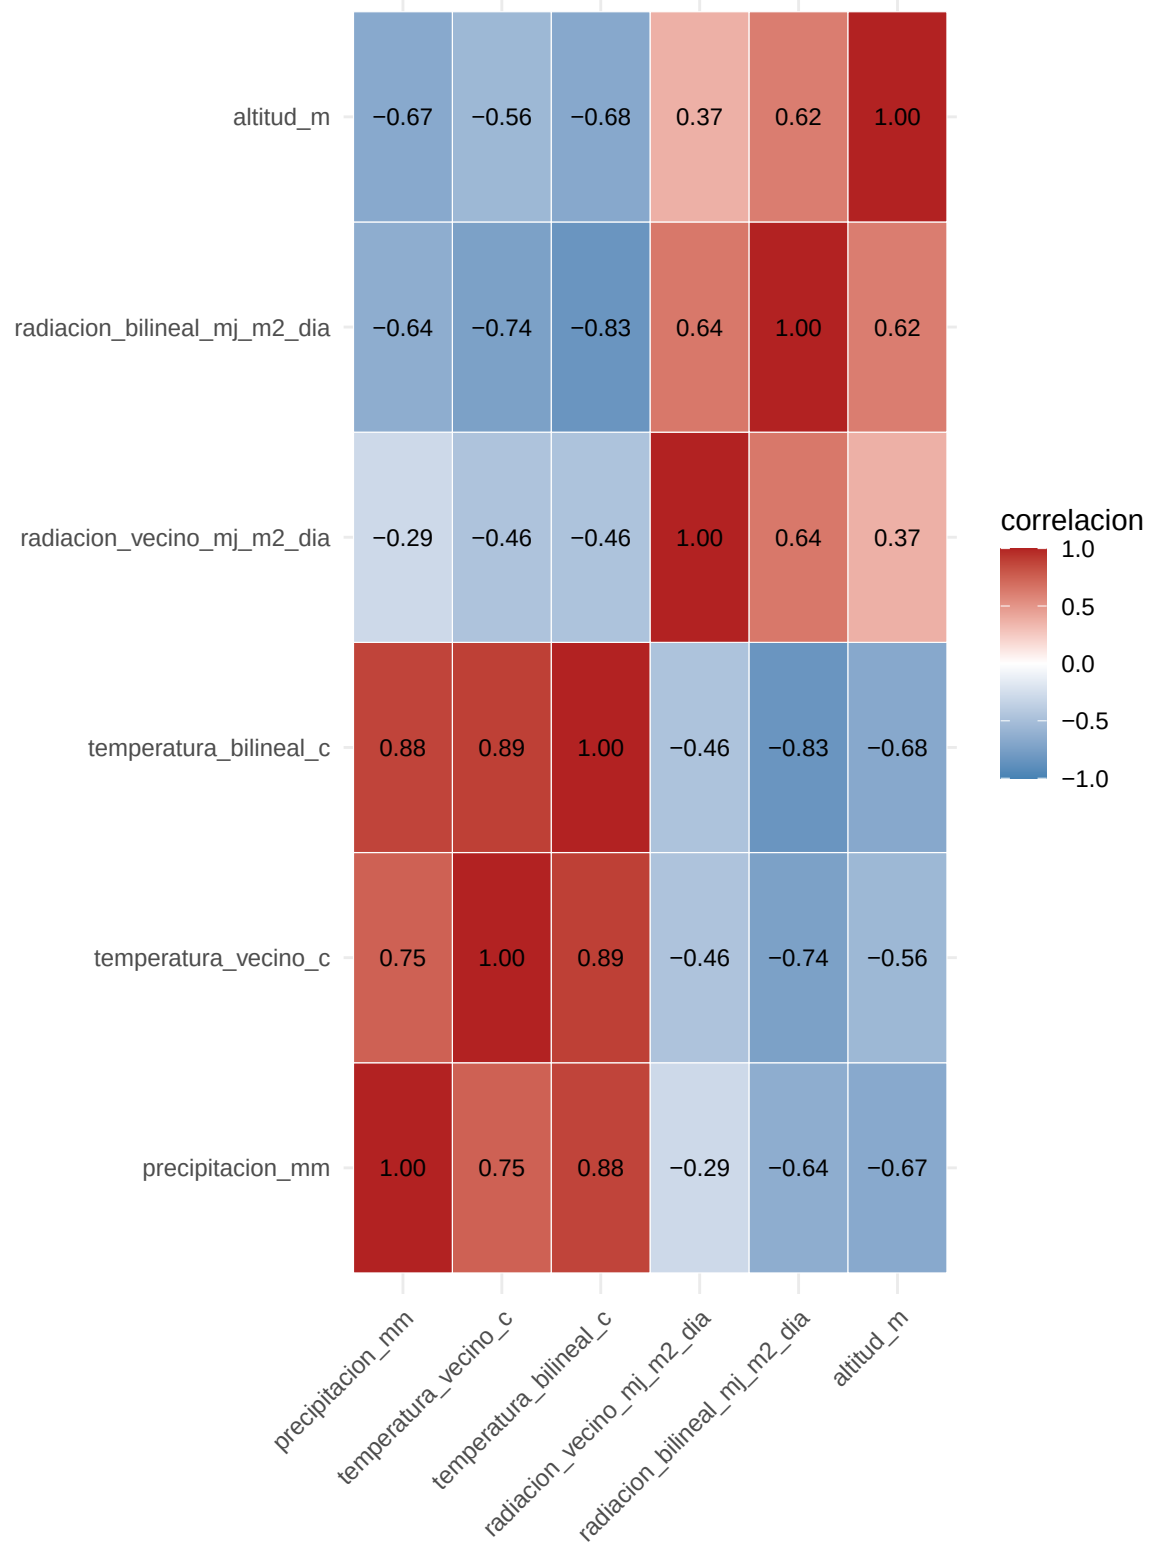

Precipitación vs radiación

Temperatura: vecino vs bilineal

Correlación de promedios espaciales

Radiación: vecino vs bilineal
